DESCRIPTION

Bring out the details of your painted furniture with Country Chic's environmentally-friendly furniture glaze. The pre-tinted glazes can be applied over any paint color to add depth, dimensions, and an antique look, or apply it over raw wood to create a stained effect. The clear glaze can be mixed with any Country Chic paint color in a 4 part glaze to 1 part paint ratio.

PRODUCT SPECIFICATIONS

Coverage: 140+ sq. ft/quart

VOCs: < 1 grams/liter

PH: 8.5 - 9.5

Clean Up: Clean rim of container after each use. Brushes can be cleaned with warm, soapy water.

Storage: Store in a cool, dry area. Keep from freezing. Keep away from heat sources. Keep containers closed when not in use. Store in a well ventilated area out of direct sunlight. Keep out of reach of children. Do not take internally.

Shelf Life: At least one year after opening in a well sealed container.

Disposal: Dispose of contents/container in accordance with paint collection facility's instructions.

First Aid: In case of eye contact, flush with plenty of water as a precaution. Wash skin with soap and water. If ingested, call physician or the Poison Control Centre.

PAINT

Technical Data Sheet

APPLICATION

Once thoroughly shaken and stirred, apply your pre-tinted glaze or custom glaze mix after your final coat of paint has dried completely. Simply brush it on with a paint brush and use a damp lint-free cloth to remove the excess as desired. For detailed instructions and tutorials, please visit www.countrychicpaint.com.

Apply when the temperature is between 10°C (50°F) and 30°C (86°F) and the relative humidity is below 85%. Brushes can be cleaned with warm, soapy water.

Made in Canada.

WARNING! If you scrape, sand or remove old lead paint from any surface you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH approved respirator to control lead exposure. Carefully clean up with a wet mop and HEPA vacuum. For additional information, Canadian customers contact the Product Safety division of Health Canada at 1-800-0-CANADA. US customers contact the U.S. EPA/Lead Information Hot Line at 1-800-424-LEAD.
